Thanks Eric. Much appreciated. I still hope to call you tomorrow with our TRV response schedule.

Bob, I was reviewing the DDT TRVs prior to sending them out and have a question that I need to get resolved. We are scheduled to discuss tomorrow morning at 11:00 am. We should be able to finalize and distribute to the LWG shortly thereafter. We will finalize the HCH TRV at that time as well. I just wanted to keep you apprised of where we are at.

Eric
